(Click on [Directions](#) for viewable maps)

Concord Country Club (CCC) is located north of Concord and east of I-93 between exits 16 & 17.

If coming from the South heading north, get off I93 at Exit 16, take a right at the end of the ramp (stop sign), and then a left at the next stop sign onto Mountain Road (Route 132). Stay on Route 132 (Mountain Road) for over two miles, and as you approach the highest point on this road (Mountain Road), take a right onto Country Club Lane, and follow it to the end. CCC is on your right.

If coming from the North, get off I93 at Exit 17 East, and travel .7 miles on Hoit Road until it intersects with Route 132. Take a right at the stop sign, and travel south on Route 132 for 2.5 miles. As the road reaches its highest point, take a left onto Country Club Lane (it will be the fourth left from your turn onto route 132). Follow Country Club Lane until the end. CCC is on the right.

This training features three outstanding presenters with extensive expertise in the ethical and legal issues facing today's mental health practitioners. Attorney Andrea Daly specializes in mental health practice issues in her Portsmouth law practice and frequently presents workshops on risk management and related topics. Joni Haley, Chair of the NH Board of Mental Health Practice, has had years of direct experience evaluating the specific challenges and risks faced by clinicians. Ingeborg Haug is a leading academician in the field of mental health ethics and was a past chair of the AAMFT Ethics Committee. In addition to individual presentations providing a wealth of information on how to safeguard your practice, there will be opportunities to ask questions and practice working through common problem scenarios under the guidance of our expert panelists.

Training format

The morning session features individual presentations by our panelists on ethical challenges and pitfalls, as well as ways to avoid them. A question and answer period will follow.

The afternoon session offers a opportunity to explore contemporary ethical problems in small groups. Participants will discuss and develop solutions to scenarios of ethical dilemmas designed by our panelists. Feedback will be provided by our experts.
